Product Description

Small But Perfectly Formed

GOODSENSE 3 ton diesel side loader forklift is a design, together with subtler control through a new hydraulic system.

A highly efficient engines Firm, certified components Improved control

Kev Features COMPACT SIZE

Low platform heights and short chassis lengths do not compromise our GOODSENSE 3 ton diesel side loader forklift's ability to carry long loads in tight areas.

REAR STEP & HANDLE

Handles and footsteps allow the operator to access loads and cabin with the minimum of effort.

LOW EMISSIONS

The Yanmar 43kw engine meets EU Stage IIIA emissions standards.

EXCELLENT VISIBILITY

The cabin has been designed to strengthen the chassis and deformalize access.

The Range: Compact-Sized, Light Duty

Optimized weight distribution owing to the power unit below platform Environment friendly, emission optimized powerful diesel engine

Low centre of gravity and high residual load capacities
